One who wants to get joy of book reading especially in very less time can go for it. About the Book Heinrich Karl Marx was born at Trves, in Rhenish Prussia, May 5, 1818, and died in London, March 14, 1883. One of the most advanced leaders of the modern socialist movement in Germany, he was a brilliant university graduate both at Berlin and Bonn. Going at once into journalism, Marx from the outset of his career was known as a pronounced socialist. He became celebrated as collaborator with Heine in conducting the journal which has since become the most influential organ in the world of socialism, Vorwrts. He was expelled successively from Germany, France, and Belgium, but found a refuge in England, where he lived from 1849 till the close of his life. The keynote of Marxist economy is the advocacy of the claims of labour against those of capitalism. Marx was a skilled linguist, and his philological talent enabled him to propagate his views with special facility, so that he was the real founder of international socialism. His famous social work, Capital: A Critical Analysis of Capitalist Production (Das Kapital), which was originally entitled A Criticism of Political Economy, appeared in 1867, and has influenced the labour movement more than any other composition in literature. A keen historical survey of capital and also a vivid forecast, Marxs analysis of the economic development of modern society has been justified in...
