

The Assessment of Criminal Behaviours of Clients in Secure Settings

By Mary McMurran, John Hodge

Jessica Kingsley Publishers. Paperback. Book Condition: new. BRAND NEW, The Assessment of Criminal Behaviours of Clients in Secure Settings, Mary McMurran, John Hodge, 'this is a book written and edited by a group of eminent forensic clinical psychologists.it is a model of brevity and clarity, managing to encompass a full appraisal of the subject from the fundamentals of behavioural analysis through the special demands of making assessments in secure surroundings to report writing and appearing as an expert witness.Quoted references appear at the end of each chapter and are distilled so that there are neither too few or too many.a thoughtful section on 'professionals' issues in working in such environments, a topic often overlooked and certainly not dealt with sufficiently in many texts.This is a useful and compact volume. I expect it will become a standard text for forensic psychology courses and I think the editors' hopes that it will find a readership amongst probation officers, social workers, prison personnel and forensic nurses will be realised.As a reasonable priced paperback it should find its way onto the bookshelf of every aspiring forensic psychologist and member of other disciplines who have to work in such settings or write reports. -Criminal Behaviour...
