The technological boom, along with the ever increasing cleverness of the marketing industry, has resulted in the release of a number of diets that could do wonders for you. The wonders part is definitely true, but the kinds of wonders most of them do come at great costs, therefore, it s time to rethink as to where it all went wrong.A simple answer arises: we became modern. That s right, we became modern and abandoned the techniques through which our ancestors survived. Also, we became so disillusioned with our lives that we fell into the simple trap of making our lives better, the...
