Reviews

This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It's been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which basically modified me, altered the way I believe.

Brand New Book ***** Print on Demand *****."Team Blaze is a team whose sole purpose is to glorify God in all they do. Whether its washing dishes, playing with children in schools, feeding widows or spending time with the Gap year racers, they are ever present and full of love. Team Blaze inspires those around them. Although they are tired after nine months of intense serving they find a way through God to lean on one another and encourage each other. God is very present in their walk, they bring joy wherever they go and openly share the wisdom and experiences learned on the race that I hope to carry throughout my journey. They have taught many of us that the race is challenging and that it will change you forever. Although they only have two more months I know these women will continue to serve God long after they finish the "race". I know that they will continue to fight the good fight that God has called them too. Whether its working full time in ministry, becoming a school teacher, doctor, personal trainer, or becoming a stay at home mom, I know that the love of God will shine through them the rest of their life. They truly are team Blaze, roaring with a burning heart and desire to spread the love of God." Cole McCrary (Gap Year, C Squad).
