CHAPTER IV THE ERROR IN THE MARXIAN SYSTEM ITS ORIGIN AND RAMIFICATIONS HE evidence that an author has contra dicted himself may be a necessary stage, but it cannot be the ultimate aim of a fruitful and well directed criticism. To be aware that there is a defect in a system, which may possibly be accidental only and peculiar to the author, requires a comparatively low degree of critical intelligence. A firmly rooted system can only be effectually overthrown by discovering with absolute precision the point at which the error made its way into the system and the manner in which it spread and branched itself out. As opponents we ought to study the beginning, the development, and the final issue of the error which culminates in self-contra Section I diction as thoroughly, I might almost say as sympathetically, as we would study the connection...
