CreateSpace Independent Publishing Platform, 2010. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: Songcrafters' Coloring Book is a groundbreaking approach to the art, craft, and business of songwriting. This is a book about choices --your choices. The choices you make as a songwriter which cause your songs to get the reaction you hope for, or the one you don't expect; The choices which determine whether your song sells a million copies, or never goes beyond your studio shelf. By looking at the individual components of songs, those choices become clear to you and let you know what to expect when you decide on one option or another. This book is not about songwriting rules, as there really are none. Looking at songwriting as an interrelated series of informed choices is the primary paradigm of Songcrafters' Coloring Book. Everything in songwriting is a choice with artistic, commercial, emotional, spiritual, or monetary consequences. When creating, performing or marketing songs, we often don't know what all those choices are, let alone the results that flow from each one. Common sense tells us that if we don't know what our options are and the consequences of...
