100 FUN EASY LEARNING GAMES FOR KIDS

Page Street Publishing Co., United States, 2016. Paperback. Book Condition: New. 228 x 203 mm. Language: English . Brand New Book. Kids love to play, but they don't always love to learn. With 100 Fun Easy Learning Games for Kids, turn playtime into an opportunity for your children to learn skills that will prepare them for school. In the activities, children learn fundamental skills in areas like reading, writing, math, science, the world, art and music-but they'll have so much fun, they won't even realise they're learning! For example, in the activity Zip-Line Letters, children learn letter sounds as the letters zoom across the room. In Family Photo Word Puzzles, they learn word recognition and problem solving as they put together puzzles of family members' photos and names. With Pattern Snake in a Sack, kids learn patterning and colour recognition by arranging coloured rocks in the shape of snakes. All 100 learning games are clear and easy to set up, fun for kids and parents or any caregiver, and adaptable for children of many skill levels ages 3 to nursery school. Activities are eco-friendly and inexpensive, using common household materials. 100 Fun Easy Learning Games for Kids is the solution for parents, as well as teachers, babysitters or relatives to help kids realise how fun learning can be and develop all the skills they'll need to do well wherever life takes them.
