Createspace Independent Publishing Platform, United States, 2016. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.The Social Curriculum was created to teach students in 6th-12th grade how to excel in social interaction from a Biblical perspective. The Social Curriculum is a 14 week study consisting of lesson plans, specially designed lesson activities, guided practice, social goals, suggested end of unit field trips, and other helpful resources. Our hope is that The Social Curriculum can equip students in sharing the love of God to the best of their ability. Excerpt from The Social Curriculum: Preparing our children and/or students to be lights in this world requires faith in Jesus Christ and a balance of Biblical, academic, and social knowledge. If our greatest commandments are to love the Lord our God with all our heart, soul, mind, and to love our neighbor as ourselves (Matthew 22:34-40), then we must show and teach the upcoming generations how to best accomplish those tasks. If we do not best prepare our children for what they will experience in this world and how to handle it, someone or something else will. While many of us gallantly prepare our children spiritually and academically, there are few resources available that help us develop our children socially. This curriculum was created from a biblical worldview to help prepare our children to be comfortable in social settings and engage with others to be a light for Jesus Christ.
