The New York Times bestselling author of A History of the World in 100 Objects brings the world of Shakespeare and the Tudor era of Elizabeth I into focus. We feel we know Shakespeares characters. Think of Hamlet, trapped in indecision, or Macbeths merciless and ultimately self-destructive ambition, or the Machiavellian rise and short reign of Richard III. In this brilliant work of historical reconstruction Neil MacGregor and his team at the British Museum, working together in a landmark collaboration with the Royal Shakespeare Company and the BBC, bring us twenty objects that capture the essence of Shakespeares universe. A perfect complement to A History of the World in 100 Objects, MacGregors landmark New York Times bestseller, Shakespeares Restless World highlights a turning point in human history. This magnificent book, illustrated throughout with more than one hundred vibrant color photographs, invites you to travel back in history and to touch, smell, and feel what life was like...
