Createspace. Paperback. Book Condition: New. This item is printed on demand. Paperback. 160 pages. Dimensions: 11.0in. x 8.5in. x 0.4in. The Extension Agents Handbook for Emergency Preparedness and Response can be a valuable response tool in times of emergency or as an aid in preparedness education activities. The Handbook is divided into two parts to provide the information you need in an easy-to-use format. The first section of the Handbook, General Family Preparedness, provides basic information you may need to access quickly in any disaster or emergency situation. It also may be used as a preparedness education tool for the public. The second section of the Handbook covers 10 disaster specific situations. For the purposes of this manual, a disaster is any event which drastically affects a persons life or livelihood. Floods, fires, hurricanes, tornadoes, winter storms, earthquakes, droughts and volcanic eruptions are considered to be natural disasters, events over which one usually has no control. Radiological and hazardous materials accidents may be caused by the failure of people to maintain control over the operation, transportation or storage of certain materials. In addition to an overview of the disaster, each section provides a series of preparedness measures and post-disaster responses that...
