

The Murder of Adam and Eve

By William Dietrich

Burrows Publishing, United States, 2014. Paperback. Book Condition: New. 203 x 133 mm. Language: English . Brand New Book ***** Print on Demand *****.Sixteen-year-old Nick Brynner is thrust into prehistoric Africa to make a wrenching judgment - whether to save our genetic ancestors, the real-life Adam and Eve whose genes survive in all of us - or to consider saving the planet, and resetting human history, by eliminating this pair and trying again. Even as he fights for survival in a hostile environment, Nick and his ally Eleanor Terrell must struggle with the competing demands of love, humanity, civilization, and the pristine wild. This is a teen time-travel thriller that combines pulse-pounding excitement with big questions about our species and our role on earth. The adventure begins when Nick explores an old fort on a forbidden island for a high school history project and stumbles onto a time wormhole. Soon he finds himself in a nearby village that is mysteriously deserted and patrolled by a creature that looks like a gargoyle. He is saved from this monster by an enigmatic teen named Ellie. The pair are taken to a spaceship and given an awful test by a stern angel-alien, and...
