RareBooksClub. Paperback. Book Condition: New. This item is printed on demand. Paperback. 230 pages. Original publisher: Washington, D. C. : Dept. of the Treasury, Internal Revenue Service OCLC Number: ocm52989790 Subject: Volunteer workers in income tax return preparation -- United States -- Handbooks, manuals, etc. Excerpt: . . . COUNTING YEARS OF EXEMPTION CYCLE For both the 2-year period during which a scholar can be exempt, and the 5-year period during which a student can be exempt, from the substantial presence test, the person's presence in the U. S. for any part of a calendar year counts as a full year's presence. Thus if a scholar (or student) arrived in the U. S. in December 2000, the year 2000 was the first of that person's 2 (or 5) years. If the person stayed in the U. S. into 2001, and is subject to a 2-year limit, that limit was reached at the end of 2001 - so the substantial presence test began to apply at the beginning of 2002. Example 1 Julianna came to the U. S. on an F-1 visa in October 2000 to study American art history. She had never been in the U. S. before. As a student, she is exempt from counting her days of presence during her first 5 years - which are 2000, 2001, 2002, 2003, and 2004. If she remains in the U. S. beyond July 2, 2005, she will become a resident alien for tax purposes at the beginning of that year. Example 2 Neeni came to the U. S. on a J-1 visa in 2002 to teach for 2 years at a state university. She knows that the cultural adjustment will go smoothly because she also taught in the U. S. in 1998 and 1999...
