REALITY ROADTRIP - THE MADNESS BEGINS

Createspace, United States, 2014. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.Were there going to be drugs? Yes! Were we planning on drinking every night? Of course! Tony and I were single-theoretically-so that meant we would be trying to get laid every single night. Yes, we were going to sightsee and check out the cities, but we really wanted to party our asses off. The group didn t know that I had a digital audio recorder that I d concealed or that I was planning to record our whole trip. I d like to invite you into my world as I traveled with my three close friends through 25 cities in seven different countries. From relaxing on the beaches of Ibiza, Spain, to climbing the Eiffel Tower. Running wild through the Red Light District of Amsterdam and walking the streets of Oktoberfest in Munich, Germany. The canals of Venice, Italy and the Sistine Chapel...
