THE CLOUD

Createspace, United States, 2013. Paperback. Book Condition: New. Jessica Donnan (illustrator). 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.The Cloud is the debut collection of short stories for adults by Welsh author Lee Holland. Having previously written for children, this book represents a change in direction for the author. Included in The Cloud are 9 tales, filled with dark humour and misery. Whilst the cover may be cutesy, the content within is most definitely not! The Cloud - A mysterious cloud floats through a remote village, causing peculiar harm to those unfortunate enough to make contact with it. Papacosmas - In a futuristic world, Pigeons have taken over. Can a man dressed as a zebra put things right? William - William is a lonely old man. Does he eat children to keep himself looking young? Love Bites - When women no longer fear vampires and werewolves, due to the paranormal romance genre, Vladimir decides something has to be done. Apollo The Monkey - Apollo is a monkey, trapped in a zoo, longing to be free. Please note, this is a reworked version of the author s popular children s book and is probably not suitable for children. Pineapple Hands - Dean was born with an odd physical defect. When a demon makes him an offer, is it one he cannot refuse? Des Moines, Iowa - What s the secret that this little meeting place is hiding? The Reluctant Virgin - A young man is taken on an erotic adventure. Lazy Husband, Enthusiastic Ghost - When Rosalind has finally had enough of her repulsive husband, she decides to take the ultimate action. Here s what others have said about it. It was enjoyable to read the author s humorous treatment of sickening and gruesome...
