Fueled by a desire to reach people for Christ, a revolution is underway. Churches are growing beyond the limitations of a single service in one building. Expanding the traditional model, they are embracing the concept of one church with more than one site: multiple congregations sharing a common vision, budget, leadership, and board. Drawing from the examples of churches nationwide, The Multi-Site Church Revolution shows what healthy multi-site churches look like and what motivates congregations to make the change. Discover how your church can: * cast a vision for change * ensure a successful DNA transfer (vision and core values) to its new site * develop new leaders * fund new sites * adapt to structure and staffing change * use technology to support your worship services you'll identify the reasons churches succeed and how they overcome common snags. The Multi-Site Church Revolution offers guidance, insights, and specific action steps as well as appendixes with practical leadership resources and self-diagnostic tools.
