Reviews

A high quality pdf as well as the typeface applied was exciting to see. It really is written in simple words and phrases rather than difficult to understand. You will not really feel monotony at any time of your time (that's what catalogs are for relating to in the event you question me).

Hodder & Stoughton General Division. Paperback. Book Condition: new. BRAND NEW, My Dear Child: Listening to God's Heart, Colin Urquhart, These inspired meditations reveal the true heart of God's love for us, and will help us understand some of the deeper mysteries of his nature. Says Colin Urquhart: 'The Lord wanted to open his heart to me about himself, revealing several aspects of his nature - not only about love, grace and mercy, but also about wrath, justice and judgement. I now have a greater understanding of who God is and the nature of his love for each of his children. Through this book I believe many will experience God speaking to their hearts concerning issues which are of deep and immediate concern to them.'
