AND STEVEN TYLER** book.

Dog Horn Publishing, United Kingdom, 2011. Paperback. Book Condition: New. New.. 216 x 137 mm. Language: English . Brand New Book ***** Print on Demand *****.Armed with a Glock and a bottle of Jack, accompanied by her adventurous Grandma Rose, Eve starts on a cross-country trip to find her hero, and to ask him to explain the meaning of life. Along the way, she escapes murderous circus performers, becomes a Girl Scout cookie and meets a Wild Man in a sharkskin suit. . . . an exhilarating ride, a kind of CANDIDE in reverse, as Eve, as unpredictable as Boadicea on a bad hair-AND-Roman day, learns to see through her false shell, which has imprisoned and impoverished her. Every scene (with not a single wasted word daring to show itself) packs a witty punch . . . A really remarkable first novel, which I can fully recommend to the cool and the uncool alike. - Steve Redwood.
