Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Grammar to Use This book, as its title suggests, is designed to teach grammar for use in expression rather than for mere knowledge of grammatical theory. An effort has been made to present fundamental grammatical principles with such simplicity and detail that pupils of average ability in grades seven to nine inclusive can understand them with little help. In this connection particular attention has been paid to the grading. In presenting each subject, the approach has been made as simple and obvious as possible, and each successive step has been developed and illustrated clearly. In short, the aim of the book is not merely to state and illustrate the principles of grammar, but also to teach and apply them. An unusually large quantity of material for drill in connection with each important topic has been supplied. This drill should establish the essential habit of using the principles learned. The manuscript of Grammar to Use was practically complete before the publication of the joint report on the study of English by the commission of the National Education Association and the National Council of Teachers of English. The following quotation from the report, however, summarizes accurately the fundamental principles underlying the preparation of the book. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work.
