In this dystopian sequel to The Forsaken, Alenna has survived the brutality of life on the wheel-- and now she s going back for more. Alenna escaped. It was expected that she would die on the wheel, the island where would-be criminals are sent as directed by the UNA--the totalitarian supercountry that was once the United States, Mexico, and Canada. But Alenna and her boyfriend, Liam, made it to safety. Except safety, they will soon learn, is relative. In order to bring down the UNA, they must first gain control of the wheel. If the mission succeeds, the wheel will become a base of revolution. But between betrayals, a new Monk leading a more organized army of Drones, and the discovery of a previously unknown contingent, Alenna, Liam, and their allies might be in over their heads.
