Createspace, United States, 2013. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.Meet Tom Nolan, a city boy whose aspiration of escaping to the innocence of small town America is destroyed on a secluded country road, when an incomprehensible encounter with a mysterious stranger reveals catastrophic evidence that destroys his whole life. What if the end of the world really isn't the end? What if the truth about angels isn't so angelic? And reincarnation, even religion may not be what we think they are. And how could environmentalism and the global warming movements have underlying agendas that are actually extraterrestrial in origin? What if Earth is not where Humans originated at all and we were transplanted here from somewhere else for diabolical reasons? And how are all these connected to countless accounts of alien abduction? This is the story of one such abduction that ends with a terrifying revelation: the reason extraterrestrials visit this planet and what they want. Find out how Tom Nolan is involuntarily recruited by them one frightful night when he and his friend, Rube DiAngelo, are just knocking around the countryside in an old rusty pickup truck and manage to bump into a UFO. If you have ever had interest in global warming, the end of the world, angels, alien abductions, religion, the Rapture or reincarnation, you owe it to yourself to find out how all these are tied together in one unexpected, monstrous plot in this explosive new work of fiction! Read The Harvest of Planet Earth for yourself and discover a totally different perspective! See if it doesn't make more sense than anything else you have ever heard!.
