Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from Autobiography of John E. Massey Mr. Massey intended to make two books out of his material - one a history of the Readjuster movement in Virginia, the other his autobiography. This material consisted of letters, notes in his handwriting, and newspaper clippings. He died soon after he had finished the compilation of his data, leaving the material in unpublishable form, and not even in chronological sequence. I hope that without prejudice I have assembled in this book all of Mr. Massey s material of public interest. I say without prejudice, for I would have been a Debt-paying Democrat if I had been old enough, while all the members of my family gave their political strength to defeat the Readjuster movement. In building the book, as I think Mr. Massey would have done, giving a connected history of Readjusterism from the point of view of the Father of Readjustment as well as Mr. Massey s autobiography, as far as possible in the Parson s own vigorous language, I have endeavored to portray the unique personality of one of the most important of those persons that dominated the political life of Virginia during the last century.
