## A FULL LIFE WITH AUTISM: FROM LEARNING TO FORMING RELATIONSHIPS TO ACHIEVING INDEPENDENCE

Macmillan, 2012. Softcover. Book Condition: New. A guide for helping our children lead meaningful and independent lives as they reach adulthood. In the next five years, hundreds of thousands of children with autism spectrum disorder will reach adulthood. And while diagnosis and treatment for children has improved in recent years, parents want to know: What happens to my child when I am no longer able to care for or assist him? Autism expert Chantal Sicile-Kira and her son Jeremy offer real solutions to a host of difficult questions, including how young adults of different abilities and their parents can: . navigate this new economy where adult service resources are scarce . cope with the difficulties of living apart from the nuclear family . and keep a job that provides meaning, stability and an income . create and sustain fulfilling relationships "If you are raising a teen with significant autistic challenges, you need to read A Full Life With Autism. Topics discussed include making friends, romance, housing, college and finally, earning a living. I particularly like the way this book weaves both Chantal and Jeremy's perspective into each story. In the latter part of the book, some chapters are also illustrated with stories...
